Great collection of songs for the recorder. I will be using this to teach some children about how to play the recorder.

It isn't too difficult, and it's easy to read. My only complaints are, 1.) There is no fingering chart in it (which would have been nice, but luckily I had one from my general music class), and 2.) Some of

the songs actually go down to B below the staff, which if you know anything about recorders, is not possible to play. Otherwise, not a bad book.
