The Best Little Boy In The World Grows Up

Synopsis

John Reid's *The Best Little Boy in the World* was hailed as a classic memoir of growing up gay in a straight world. But "John Reid" didn't write it. Years would pass before the writer could reveal his true identity as Andrew Tobias, America's bestselling financial guru, author of *The Only Investment Guide You'll Ever Need*. Now, twenty-five years later, Tobias, proud to use his real name, brings his remarkable life story up to date. Writing with his customary charm and frank humor, Tobias tells of love affairs and heartbreak, hot New York parties and tough political battles, the excitement of genuine social change and the tragedy of seeing dear friends die young. Here too are the unforgettable scenes of Tobias revealing his sexual orientation not only to his parents but to the president of the United States. The author is an irresistible companion as he shares with us his proud stories, embarrassing confessions, and hilarious musings on "the homosexual lifestyle." Witty, heartfelt, and wonderfully affirming in every sense, this is Andrew Tobias's finest book to date.

Book Information

Paperback: 288 pages

Publisher: Ballantine Books; Reprint edition (December 7, 1999)

Language: English

ISBN-10: 0345423798

ISBN-13: 978-0345423795

Product Dimensions: 5.1 x 0.6 x 8 inches

Average Customer Review: 3.2 out of 5 stars [See all reviews](#) (34 customer reviews)

Best Sellers Rank: #1,089,699 in Books (See Top 100 in Books) #95 in [Books > Biographies & Memoirs > Specific Groups > LGBT > Gay](#) #1960 in [Books > Politics & Social Sciences > Social Sciences > Specific Demographics > Gay & Lesbian](#) #2505 in [Books > Gay & Lesbian > Nonfiction](#)

Customer Reviews

Having just finished this delightful book, I decided to post a review. As I read over the comments about this book, I was taken aback by the harshness and negativity of so many of the reviews and the intensely personal nature of the comments, many of which appear to spring from jealousy of Tobias' financial success, and have nothing to do with the intrinsic merits of his book. They constitute what I would call an ad hominem attack on its author. The man's work is fair game, but please refrain from attacking him personally. As a reader who found "The Best Little Boy in the

World" to be a seminal (no pun intended!) work in his own coming out process, I was quite looking forward to the sequel. I wanted to find out how The Best Little Boy had fared during the twenty-five years since the book was first published. Also, since learning a few years ago that "John Reid" was a nom de plume for Andrew Tobias, whose financial books I had enjoyed, I wanted to see how he had integrated his two personas. And I must say, he has done so quite nicely! This book is a wonderful read. Andrew Tobias has written an entertaining narrative that is well worth anyone's time. I read the book in one weekend, and found myself breaking out in laughter time and time again - his anecdotes resonate with me. In fact, I enjoyed this book so much that I went out and bought "My Vast Fortune", Tobias' account of his various business ventures and misadventures, and found it delightful and informative as well. It includes the author's tragicomic accounts of locking horns with Ralph Nader over no-fault auto insurance and launching an anti-smoking campaign in Russia. (I'll write a review of that book next!
