Synopsis

I would like to welcome all of you who like to read about seed bead weaving and all of you who like handmade jewelry and want to look stylish and unique. Tree of life is one of the sacred symbols. Tree of life symbolizes the existence of God's creation, the sole reality allowing a person to fulfill his purpose and to achieve his potential; you can also wear this pendant as a symbol of unity and love. Usually this jewelry is made with wire. But in this master class we will use seed beads to weave an original and interesting variant of this jewelry. You can take natural stones to your liking for beading the leaves of the tree. Step by step, easy to follow with photos and explanation. We will use:

- 1. Seed round beads â " size:11/0 Colors: beige , turquoise, dark gold
- 2. Toho beads â " size: 15/0 Color - turquoise
- 3. Ring base (from unfinished chain) - size: 30mm
- 4. Gemstone chips - Turquoise
- 5. Lace or chain
- 6. Thread "wildfireâ • or â œfirelineâ • crystal or white â " oo8 in, 020mm
- 7. Beading needles size 10/12
