Remodeling Mystic Theater

Synopsis

Remodeling Mystic Theater is my first endeavor into writing. Since I was a child, I wanted to write. Growing up, I never lost my desire to write; however, I was married young and started a family, so I didn't have the time, or inspiration. That would change once my husband and I made the decision that would inspire me to write about our experience remodeling an antique movie theater in my hometown of Utica, Ohio. Many people with limited resources dream every day about doing what we did. I want to give the chance to see what it is like to tackle a project that neither you, nor your family, are prepared for.
