You Only Live Twice: Sex, Death, And Transition (Exploded Views)

Synopsis

YOLT explores two artistsâ™ lives before and after transitions: from female to male, and from near-dead to alive. The unspoken promise was that in our second life we would become the question to every answer, jumping across borders until they finally dissolve. Man and woman. Queer and straight. What if it's not true that you only live once? In this genre-transcending book, trans writer and media artist Chase Joynt and HIV-positive movie artist Mike Hoolboom come together over the films of Chris Marker to exchange transition tales, confessional missives that map out the particularities of occupying what they call "second lives": Chaseâ™s transition from female to male and Mikeâ™s near-death from AIDS. Weaving cultural theory with memoir and media analysis, YOLT asks intimate questions about what it might mean to find love and hope through conversation across generations. Chase Joynt and Mike Hoolboom here give each other the gift so many people only dream of: ample, unhurried space to unspool crucial stories of oneâ™s life, and an attentive, impassioned, invested, intelligent receiver on the other side. The gift to the reader is both the example of their exchange, and the nuanced, idiosyncratic, finely rendered examination it offers of biopolitical experiences which, in many ways, define our times. Iâ™m so glad they have each other, and that we have this." Maggie Nelson "Despite its complexity, the book is refreshingly clear, direct, and elegant, and pleasingly consistent in tone despite its shared authorship ... This is an ode to friendship that is as beautiful as it is revelatory." Shawn Syms, Quill & Quire "You Only Live Twice is an intelligent ode to enchantment, to the possibilities that arise in 'second lives' when all past expectations have been foreclosed." Chris Kraus "The writing is out of the park" strong and surprising, a relay race of brilliant twirling, tossing thoughts back and forth like balletic rugby bros. Joynt and Hoolboomâ™s dances of disclosure are so courageous and generative, gifts to us all." John Greyson

Customer Reviews

This well written book flowed in a stylish and unusual manner with Chase Joynt and Mike Hoolboom taking turns of under a page each in sharing potent experiences, thoughts, aspirations, values and hopes. A loud message noted in several instances was how solidly Chase and Mike were influenced by involvements with others, a reminder to us all how intertwined we constantly are with others. Both expressed thoughts with extreme depth and I felt that this writing was likely cathartic for the authors. No matter our roll and type in society, we all want to be accepted and loved and this book depicts that clearly. Highly recommended!!
