Slangman's Fairy Tales: Japanese To English, Level 2 - Goldilocks And The 3 Bears

Synopsis

Each fairy tale starts in Japanese, then slowly "morphs" into English! Learn 20 words in a new language! This audio file contains narration, pronunciations of new words, sound effects, and fully orchestrated original music composed, arranged, and performed by "Slangman" David Burke. Here's how it works.... A Japanese word in the fairy tale is translated. The translated word is used throughout the rest of the story... again and again in context! More and more new words are added. All the new words are repeated throughout the story to reinforce understanding. By the end of the story, 20+ new words have been learned!

Customer Reviews

The book was supposed to come with a cd in the back but it was missing - so I sent it back and received another one in the mail the following week. The cd was also missing from this one. I am going to try one more time to receive the correct order only because I have part 1 and part 3 of this series and I would like to have this part 2 as well - also because part 3 uses stuff learned in part 2.....Kind of a pain to deal with but my kids have fun with these books.

great for Japanese school
