Louise Bourgeois

Synopsis

One of this UK's pre-eminent artists, Louise Bourgeois is a unique figure in contemporary art. Born in Paris in 1911, Bourgeois spent most of her career receiving little recognition from the art community. She has worked closely to many of the century's key artistic moments, from Surrealism to Abstract Expressionism to feminist-inspired art, and yet remains distinct from all these.

Customer Reviews

This, like many of the other Phaidon books is very well organized. My only complaint is it doesn't have many pictures of her soft sculptures. Other than that, I would highly recommend to someone who wants an introduction to her work.

Thanks
