## Customer Reviews

This is a really fun grouping of variations for chopsticks. Most everyone has had access to a keyboard has learned to pluck out chopsticks, this takes us to far more detailed and complex pieces of music. The variations include classical, traditional as well as boogie woogie. It shows that chopsticks really is a timeless piece.

Starting students love Chopsticks. The teacher can play the rest.

I just love it. It has several versions in I book. It is great
