Customer Reviews

This was exactly what I wanted and ordered. You can hardly go wrong with the Nutcracker Suite, and it was a joy to hear my daughter playing it throughout December.

This collection doesn't include every single piece from the Nutcracker Suite, but it has the ones that I am most familiar with. That's what I wanted, instead of having pieces that I would never play.

Exactly what I wanted, all the best parts of the suite!

Fairly challenging. This is a good thing. Very much loving the arrangements.
