This item is stunning!! It is completely "in-universe" and totally feels like something traveling along with a Gryffindor student, their own personal house-specific homework journal or something! It is made really well too, and the pages feel so much like a journal from Hogwarts might! Great job really

I love this journal, it looks nice well made. I am a Harry Potter collector so it will not be taken out of shrink wrap so do not know what looks inside. I recommend this especially if your a HP fan / collector. I have Hogwarts & Deathly Hallows too. Thanks :)

Very nice! I was surprised at the quality and will buy others.

My daughter is 10...huge Harry Potter fan and she LOVES to write. Bought the quill to go with it and she is on cloud nine. Perfect gift.

This was specifically requested by a family member and was better than she hoped for upon opening it for Christmas.

The hardcover is amazing and also the logo. Good gift for a Harry Potter fan
