This was my first flute duet book as a student. I am now teaching flute and am using it for my students. This book is full of excellent duets that are written so each person gets to play the melody and the harmony in the same duet without switching parts. Excellent and highly recommended.

My daughter's flute teacher wanted this so they can play duets together. They sound amazing and my daughter is learning so much!

these books are perfect for my grand kids who are beginners now they can learn to play together in harmony

Good book for sight reading prac. 8 was looking for more advanced music.
