This book will reveal to you much about J.J.'s story and the many accomplishments throughout his career. Here Is A Preview Of What You'll Learn... Youth and Family LifeHigh School and College CareerProfessional Career and Personal LifeLegacy, Charitable Acts and much more! If you want to learn more about J.J. Watt, then this book is for you. It will reveal to you many things that you did not know about this incredible football star! About the Author: *Inspirational Stories* is a series aimed at highlighting the great athletes of our society. Our mission is to present the stories of athletes who are not only impactful in their sport, but also great people outside of it. The athletes we write about have gone above and beyond to become impactful in their community and great role models for the youth, all while showing excellence in their profession. We publish concise, easily consumable books that portray the turning points in the lives of these great athletes, while also giving the context in which they occurred. Our books are especially great for children who look up to sports figures. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any demographic.

Customer Reviews

It was really easy reading. It really gave you the inside on what kind of person Mr. Watt is. Being a High School Football coach I am definitely going to buy this book in a hard copy and have my kids read it --- if they could work half as much as Mr.Watt they will be better players/people for it. Thank you Mr.Watt for being a great role model for young athletes every where.

I enjoyed this book because it was short and gave me a very good understanding of a football player that I enjoy watching play. This book can be enjoyed by any age!

I was stunned by how dreadful this book is. Lesson learnt though. I should have checked the description. It's more of a pamphlet than a book and basically gives as much information as a Wikipedia entry. The author has opted for large print and even had the gall to include blank pages to bump up the number of pages. As an example, the rousing chapter 6: 'Legacy, potential and inspiration' weighs in at a mighty 300 words. The whole chapter. 300 words. I really feel like the author totally nailed what makes J J Watt tick. Not.

Considering I'm a huge fan of MR watt and his brothers. This was a quick read and nice book. Pretty well put together and detailed. Got straight to the point. Thanks

This book really inspired me to try to make your dream come true.I think this book was terrific for younger children.

IT IS A FUN BOOK TO READIt is cool J.J WATT IS AMAZING . AND IT TELLS A LOT ABOUT HIM

Its only his football career. Was hoping for more of his personal story.

This isn't a book, this a pamphlet with factoids that you could get on a Wikipedia page. It offers no insight, no passion or story into the emergence of the dominant player that JJ has become.
