I love the arrangements of Gerald Finzi's clarinet Op.23, "Five Bagatelles" . My favorite is the Carol. The song was easy to learn and I was able to follow the piano accompaniment. I performed the piece for my Church's Advent service. The reviews were great. I am now working on learning the others songs. A clarinetist of intermediate skill can master these songs. Enjoy!

Totally useless for a clarinet player. This does not have a separate clarinet part. A clarinetist would have to read this over the pianist's shoulder AND WOULD HAVE TO TRANSPOSE IT, unless he/she has a C clarinet.

Great piece for an advanced high school clarinetist. Piano is challenging but not too hard. One can pick and choose which movements if there are contest time constraints.

Since this piece was a gift, my friend has not had the chance to practice/perform the Finzi piece. I realized when I got it, it will be an easy piece for him, but still a very beautiful one. Thanks.WB

This piece is very fun to play and not that hard to learn
