"Hi little bird," said Bruce the moose with a smile,Now Bo had an idea: she could travel in style!
"I'd like to use your antlers to build a nest with a view,A mobile home for me and good company for you."
By Chief, USN Ret...VT Town TOP 500 REVIEWERBo is an unhappy little bird and she decides to fly for a few days. Finally, she became tired and spotted Bruce the Moose when she landed. She asked if she could build a nest in his antlers and he agreed. But, she had to keep quiet with the 'chirping' during his nap time at 2 pm every day. They became good friends and even took dips in the river together.Unfortunately Bo did not keep her promise and invited many friends over to her nest. Well, I imagine you can guess what Bruce does next. No spoilers here! I like the fact that it teaches the little ones that promises are made to be kept and not broken. And, always be kind to one another.This is a delightful book for children ages 2 - 9 and P - 4. The drawings are all well done and one thing I always enjoy in a children's book, is that it rhymes.Most highly recommended.

"A mobile home for me and a good company for you". Seemed to be a good proposition from Bo when it was first proposed to Bruce the Moose. At first, everything was working just fine, but things took a turn for the worse when Bo forgot to take into consideration the feelings of Bruce the Moose, when Bo started inviting friends over as visitors to Bo's nest. Plenty of morals to be learned. A nicely illustrated and written eBook, I would love to read to my daughter all over again.

Oh my gosh what a cute rhyming book with the funnest illustrations. Children are going to love this book that reads like a song and looking at Poor Bryce the Moose's expressions as he discovers you can't always take someone at their word. The author did a great job with this book and it is one any child will treasure, Fun to read aloud and share too!

Bo, the bird, loves to fly far and wide to see the sights, but she is a bit lazy. One day, Bo comes up with the idea to build a nest in the antlers of a moose named Bruce. He likes the idea of having a friend share his space. Bruce has only one request; that Bruce keep her singing low when he takes his afternoon nap. Things go along splendidly until Bo decides to invite some friends to her nest. What happens to threaten the friendship? Will Bo and Bruce find a way to make things right again. This book is written in simple verse with colorful illustrations. It teaches the elements of true friendship. At less than seventeen pages, the book is a good choice for a bedtime story or reader aloud for the preschooler or early elementary student. Nicely done!
