This is only the solo book, the accompaniment book is sold separately. I had a hard time finding it since they are not paired together and it is not "suggested." I finally found it under "Classic Festival Solos: Trombone, Vol. 1- Piano Accompaniment"

Used this for her HS Freshman band solo. Came quickly and was great. Be aware that the piano accompaniment is sold separately in this series.

I purchased this book based on the image. YES, it is the PIANO ACCOMPANIMENT, of this

trombone solo collection. The title is wrong, this is NOT The t-bone part it's the PIANO part. Also if you click "look inside" it shows the Clarinet version of this series. If you buy it they offer you a chance to view online while you wait for the book to arrive and get this..... it was a percussion solo version.

Arrived on time and everything was as promised
