Guitar Classics: Works By AlbÃ©niz, Bach, Dowland, Granados, Scarlatti, Sor And Other Great Composers (Dover Chamber Music Scores)

Synopsis

More than 50 classic guitar works, from rarities to popular favorites, appear in this remarkable musical treasury. Each work has been newly edited and/or transcribed for solo guitar by guitarist and music scholar David Nadal and printed from engraved plates prepared specially for this edition. This collection features such hard-to-find gems as the 13th-century Cantigas de Santa Maria by Spanish ruler Alfonso X, modern guitar transcriptions of two 16th-century Fantasias for lute by the legendary Francesco da Milano, and Vivaldi's complete Concerto in D. In addition, this volume contains such 20th-century masterworks as Enrique Granados's Spanish Dance (Andaluza) and Isaac Albeniz's world-famous Asturias (Leyenda), as well as time-honored compositions by Bach, Dowland, Paganini, Scarlatti, Schubert, Tárrega, and other great composers. Guitarists at every level of expertise will find this sturdy, attractive, modestly priced collection of enduring works an indispensable addition to their musical libraries.

David Nadal has put together a volume of high quality music for the classical guitar. Included are standard pieces, but also some rarely published gems- my favorite among them being his impressive transcription of a Vivaldi Violin Concerto for solo guitar. This piece alone is well worth the money!

This is a must-have for classical guitarists. There are advanced, standard-repertoire pieces suitable for performance as well as approachable pieces for study - all spanning from the Medieval to the Romantic era. Best of all, the editing and fingerings make the music approachable every level of ability. It does not get better than this.

I've had this book for ten years or more and it is always one that I grab off the shelf for enjoyable playing. This is really a very fine collection of pieces for classical guitar, some of which are not easily found elsewhere (like Giuliani's gorgeous "La Rose" which I've only seen in one other collection). Well edited, good construction, good wearability, this book will last you for years and is worth three times the asking price. 100% recommended!

Very good book for classical guitar advanced players. Has a great variety of music and classical music. Came in pristine condition.

Nice pieces in this collection. All in standard notation. A nice book to add to your collection, as it is in mine.
