This book is Awesome!!! Make a sequel, make it long! I wish I could rate it like a 100 star! This is one of the coolest book I have read in my life!!!!

This was a good book. But, I found it really easy to read. Good if you have some time to kill. Especially on rainy days. I would recommend this book to anyone who is a minecraft player. But, kids would understand this the most.

THIS BOOK IS AMAZING I RECCOMEND IT TO EVERYONE MAKE MORE BOOKS LIKE THIS AND THE VILLIGER TAKEOVER THERE ALL SO GOOD I WANT TO GIVE IT 174926846219162875 STARS!!!!!!!!!!!! I ALSO RECCOMEND THE VILLAGER TAKEOVER

#Nospoilers#Nospillingthebeans#"nichole/HappyPierceP"isanooobHi there.

ï ¢ï •ï „ï ...ï ^ï ™here. Readers reading this review, I would highly recommend reading this book if you love Minecraft and books. A short summary of the book is that Herobrine made a Noob spawner and hese two people have to stop them. Th results? They _____. Isn't that great/horrible?!? I know, right? Now just read the book in full length!~(ĩĴ£ â • ĩĴ£ ;)/ï ¢ï •ï „ï ...ï ^ï ™P.S. When reading my reviews, always listen to the hashtags at the beginning.P.S.S. Sry for any spelling and grammer mistakes; I'm using my Kindle and the touch screen is super bad. :{

Best books ever loved all of the MC books for EBOOK and the future of Redstone then the first time in the next generation of Redstone then the first time since I've been a bit of Redstone then I recommend this ebook to you and the next texas rangers have danced with girls and Obama in

it started out boring but it got better and the noobs were kind of stupid like when the1noob said "hand over everything in your inventory" that was stupid of the noob like your're telling a guy who is a much better player than you show some respect.(it was good).

This book is pretty great it gives you a chance to experience SSundee and Sky lol it's very creative even though it could be so easy to kill the noobs and I think the machine was kind of silly. I think they shouldn't make the books so nooby!! Well ^f I give it "... "... "...

oh those peaky noobs how dare they let sky and ssundee's pigs go free they deserve to bild lots of houses for those villages and herobrine blown to peices in the TNT explosion.I think this book is:funnyawsomeand this book = good book + sky and ssundee = A GREAT BOOKcan you please please please make book 2 and I will be so happy to read it even if it is 1 star I will still read it so

keep up your good work mining maniacs.p.s please make book 2
